

Changing Times: Accident Reconstruction Technology Update

Thursday, June 26, 2014 | Registration 3:45 p.m. | CLE begins at 4:00 p.m.

Reception 5:00 - 7:00 p.m. | Ellis Hotel* | Approved for 1 CLE Hour

GDLA Platinum Sponsor Collision Specialists, Inc. – in conjunction with the GDLA's Education Committee and Auto Liability and Trucking Substantive Law Committees (SLC) – presents an update on recent developments in accident reconstruction technology, with an emphasis on ACM/EDR devices (black box recorders), 3D scanning and aerial photography advancements.

Collision Specialists Inc.'s Jeffrey A. Kidd began his law enforcement career with the Georgia State Patrol in 1988. In 1997, he was selected as one of 20 charter members of the fatal traffic unit known as the Specialized Collision Reconstruction Team. He retired in 2009 as a Sergeant after 21 years of service, and to date has investigated over 4,000 collisions, including over 1,500 fatal crashes. He is ACTAR certified and has been recognized as an expert in accident reconstruction in state, superior and federal courts in Georgia and South Carolina.

This seminar is designed for all skill levels. Stay after and network with your colleagues at a reception featuring beer/wine and heavy hors d'oeuvres.
